

Dear Parents,

We are in the process of developing a website for the school which we would like to use as an additional way of communicating with you about our school and the adults and children involved with it. The website has pages relating to all aspects of the school, including the Friends Association and the Governors as well as diary dates and links to other sites which may be relevant. We hope that it will be a useful source of information for you and the wider community.

Whilst providing a good opportunity to showcase the children's work, and the work of the school including images of pupils in school publications and on the school website can also be very motivating for the children involved. The school has a duty of care towards your children, and we take the issue of child safety very seriously. This means that pupils must be protected from the risk of inappropriate contact. Any school publication, including the website, will therefore not include any personal details. Any photos or work shown will give only the name and age of the child. In this way there can be no association between children and their personal details.

We would obviously like to put children's work on the website, and also images of children involved in school activities. We therefore ask that parents consent to the school taking and using photographs and images of their children to be put on our school website. Remember, we will never include their name alongside an image.

Please print this form, complete, sign and return this it to the school office.

Yours faithfully,

Mike O'Reilly

Headteacher

Name of Child:..... Class:.....

Name of Parent or Guardian.....

I consent to photographs and digital images of the child named below, appearing in Caister Junior School printed publications and / or on the school website*. I understand that the images will only be used for educational purposes and that the identity of my child will be protected.
